NEW DELIVERY PLAN

MERCHANTS WILL BE ASKED TO USE CO-OPERATIVE SYSTEM

IS ECONOMY MEASURE

Program of Defense Council Includes Maximum of One Delivery Daily With No Special Deliveries

The merchants of Maryville will be asked within the next few weeks to adopt the entire retail delivery program of the commercial board of economy of the council of national defense.

This program includes the maximum of one delivery a day, the elimination of special deliveries, restrictions on returned goods, C. O. D. privileges and the establishment of co-operative delivery systems in small and medium sized communities. This action was decided upon at a conference held by the commercial economy board at which were present Herbert C. Hoover, United States food administrator, W. C. Redfield, secretary of commerce, and representatives of state councils of defense from Connecticut, Illinois, Indiana, Kentucky, Maine, Maryland, Minnesota, New Jersey, Pennsylvavnia, South Carolina, Vermont, Virginia and West Virginia. A similar conference is soon to be held in the western states.

In Missouri emphasis is being put upon co-operative delivery by F. B. Mumford, federal food administrator. County food administrators have been active in helping retail merchants organize co-operative delivery systems; in one case, Linn county, securing nine men for their work who were formerly engaged in duplicate delivery service.

In Maryville some ten or twelve dealers use the individual delivery system, some having one or more wagons making several deliveries daily. Under the plan that will be suggested by the council of defense the merchants will be urged to install a co-operative delivery system with the number of deliveries daily reduced to one. Customers who formerly depended upon business houses to deliver groceries and merchandise will be urged to carry home their own packages.

A "FATHER AND SON" DAY

Sunday at the Christian Church Special Programs Will Be Offered In Observance

Sunday at the Christian church will be observed both at Sunday school and at the morning church service as "Father and Son" and as patriotic day with special programs being arranged for both services. Churches all over the United States have been urged to plan an observance of such a day and fathers who have no sons of their own are asked to take someone else's son to either church or Sunday school. In the cities the men are asked to take a soldier but in smaller towns it will be necessary to call on others.

John Murrin returned this morning from a business trip to St. Louis and a visit with a son, John Owen Murrin, who is attending school in St. Louis.

MORE ROAD WORK THIS YEAR

With 14½ Millions Voted by Missouri Counties the State Has 1½ Millions to Spend

Jefferson City, Feb. 15.—Missouri will increase her road work this year as a result of war demands, according to state highway department officials. Secretary of Agriculture Houston has called on the department for data as to trunk line roads which the government is anxious to have improved in order to facilitate the handling of agricultural and industrial products. There are a number of these highways, three between St. Louis and Kansas City.

The state will be able to spend $1,500,000 this year toward obtaining good roads. To approve roads the federal government will contribute 25 per cent of the cost and the state an equal proportion. This will give the counties and road districts improved roads at half their cost.

The enormous sum of $14,500,000 has been voted by Missouri counties for better roads this year.

Jefferson City, Feb. 15.—Governor Gardner today is in receipt of a telegram from Provost Marshal General Crowder stating in effect that the duties of the local exemption boards will be greatly curtailed after the deferred quota of draft men have been called to the colors. The dispatch says that the great task of these boards is finished. In the future they will be asked to supervise only the drawing of army units from their respective committees. They need not be present at physical examinations, but they must approve or disapprove of the same. Boards may authorize their chief clerk to sign documents. Their main duties in the future will be to classify men whose status has been changed. From time to time special tasks may be imposed with the possibility of the registration and classification of men who have become 21 years old since June 5 of last year.

LOST SECOND GAME

BENTONS AGAIN VICTORS OVER M. H. S. LAST NIGHT

GUARD WORK A FEATURE

Robison of M. H. S. and Utz of Benton Came Near Making a Two-Man Battle of the Affair

The Benton High School basket ball team scored their second victory over the Maryville High School quintet in last night's game on the Normal court before a fair sized crowd of fans, winning 22-18. Notwithstanding the fact that it was a closely contested game throughout, L. Utz of the Benton team, and Robison of Maryville, made a two-man game of it. The work of Utz at guard was about the last word in efficiency, and M. H. S. lost a number of goals through his clever tactics. Robison ran a close second in guard work and effectively blocked the efforts of the Bentonites to pile up a big score.

A defensive game throughout on both sides, th escore was pretty evenly divided and at the end of the first half Benton led 11 to 8. At the end of the last half Maryville pushed up to within one point of Vandersloot's men.

Good team work on both sides also characterized the game, with every man playing his position in a creditable manner. Walter Hanson refereed the game to the satisfaction of both teams. The line up and score was as follows:

Maryville		Benton
Puckett	F	R. McClelland
Egley	F	L. Cummings
Yehle	C	W. Hayes
Robison	G	L. Utz
Kirby	G	S. Utz

Field goals: Maryville — Egley 4, Robison 3, Egley 4 out of 4 foul goals. Benton, field goals—McClelland 1, Cummings 2, Hayes 3, S. Utz 1, Cummings 1 out of 5 foul goals, S. Utz 1 foul goal.

The next scheduled game for the high school five is with King City at the later place on February 22.

NORMALS VS. POLY TONIGHT

The Bearcats Will Go to the Line With a Crippled Team But With Plenty of Pep for the Fray

There is a good deal of speculation among the fans as to the outcome of tonight's game between Coach Palfreyman's Normal Bearcats and the fast Polytechnic team from Kansas City. With a badly crippled team the Normals, while not in the least discouraged or pessimistic, know that they will have to do some mighty strenuous work if they succeed in retrieving their laurels, having lost to the Polys at Kansas City on January 18.

Captain Wells will not be seen in the game tonight, being laid up with the measles; Earl Miller has a bum arm, but expects to be in the scrimmage with enough pep to overcome other deficiencies; while Walter Scott will make the third man absent from the game. Notwithstanding that tonight's game is not a conference game, the Normals are none the less anxious to win and in place of Wells, Barron may start, with prospects of Hahn also being given a place in the line up. A big crowd is expected to be on hand tonight at the Normal court to root for the Bearcats.

ITS POUND FOR POUND NOW

After Today Consumers Must Purchase An Equal Amount of Wheat Substitute

No retail grocer will be allowed to sell a pound of wheat without selling a pound of some other cereal, and no purchaser can buy a pound of wheat flour without buying a pound of wheat flour substitutes after February 15, F. B Mumford, federal food administrator for Missouri, announces.

"Regulations requiring purchasers of flour to buy one pound of substitute with each pound of white flour on hand afted February 15 will be rigidly enforced," the announcement said. "No exception will be made to this rule. Dealers must obtain substitutes in conformity with this regulation."

Cooper Gooden in Charge.

Cooper Gooden will jangle the keys to the court house from his chain for several days in the capacity of official caretaker of the building. Mr. Gooden will serve during the absence of Joe Pfeiffer, who went to St. Louis this morning with sheep belonging to Judge C. P. Schmidt.

RUSSIAN SITUATION PUZZLES

An Unconfirmed Rumor Says That Order to Demobilize the Russian Army Has Been Rescinded

Special to The Democrat-Forum.

Copenhagen, Feb. 15. — Mystery envelopes the situation on the eastern front. Rumors have reached here from Russian and German sources during the past forty-eight hours which make it difficult to fortell what the outcome will be. An unconfirmed report is in circulation that the Bolsheviki government had rescinded the order to demobilize the army. This was followed by a rumor from Berlin that eGrmany was preparing to renew hostilities on the front between Volyhan and the Baltic Sea and also against Rumania, unless the Rumanian government consents to conclude peace. Despite reports, the opinion generally prevailed that there will be no serious operations on the Russian front if Germany makes any warlike move at all.

Entire Fleet Being Overhauled and Fitted With Powerful Guns—Von Hertling's Speech Tomorrow

Special to The Democrat-Forum.

London, Feb. 15.—Germany's biggest submarine drive of the whole war may be expected in April, it was stated here today by naval authorities. Germany, it is said, has been inactive during the past few months refitting and overhauling their submarine fleet, building larger types of U-boat craft and mounting powerful long range guns upon them. British naval officials calmly await any marine offensive Germany may undertake fully confident that it will collapse. Secretary McNamara today informed the House of Commons that the war office has consented to release twenty thousand skilled men for shipbuilding.

The Hague, Feb. 15.—It was reported in Berlin today that Chancellor Von Hertling may reply to the war aims speech of President Wilson and Prime Minister Lloyd George in the Reichstag tomorrow.

WEEKS CHARGES POLITICS

The Bay State Statesman Takes a Rap at Both Secretary Baker and President Wilson

Washington, Feb. 15.—Secretary of War Baker was characterized as a "pacifist" by Senator Weeks of Massachusetts in the senate today. Senator Weeks declared he could not escape the conclusion that American war work was being conducted on a basis of indifference with the war three thousand miles away instead of with the vigor that would be exercised if hostilities were actually in progress on our own frontier. Senator Weeks bluntly charged that President Wilson himself had injected politics into the situation.

PAID $6.00 A BUSHEL FOR CORN

Burlington Junction Farmer Buys 27 Bushels of 1916 Crop

Some farmers have decided to take no chances with their seed corn this year. Among these is W. N. Houston, who bought a "record" wagon load the first of the week. There were 27 bushels in the load and he paid Martin Asbell $6.00 a bushel for it, or $162. It was corn from the 1916 crop, which was one of the best crops for seed purposes ever raised here.—Burlington Junction Post.

BETTER THAN CALOMEL

Thousands Have Discovered Dr. Edwards' Olive Tablets are a Harmless Substitute.

Dr. Edwards' Olive Tablets—the substitute for calomel — are a mild but sure laxative, and their effect on the liver is almost instantaneous. They are the result of Dr. Edwards' determination not to treat liver and bowel complaints with calomel. His efforts to banish it brought out these little olive-colored tablets.

These pleasant little tablets do the good that calomel does, but have no bad after effects. They don't injure the teeth like strong liquids or calomel. They take hold of the trouble and quickly correct it. Why cure the liver at the expense of the teeth? Calomel sometimes plays havoc with the gums. So do strong liquids. It is best not to take calomel, but to let Dr. Edwards' Olive Tablets take its place.

Most headaches, "dullness" and that lazy feeling come from constipation and a disordered liver. Take Dr. Edwards' Olive Tablets when you feel "loggy" and "heavy." Note how they "clear" clouded brain and how they "perk up" the spirits. 10c and 25c a box. All druggists.

A Fight For Life

It has been fight or die for many of us in the past and the lucky persons are those who are now well because they heeded nature's warning signal in time to correct their trouble with that wonderful new discovery of Dr. Pierce's, called "An-u-ric." You should promptly heed these warnings, some of which are dizzy spells, backache, irregularity of the urine or the painful twinges of rheumatism, sciatica or lumbago. To delay may make possible the dangerous forms of kidney disease, such as stone in the bladder.

To overcome these distressing conditions take plenty of exercise in the open air, avoid a heavy meat diet, drink freely of water, and at each meal take Anuric (double strength). You will, in a short time, find that you are one of its firm indorsers.

HIGGINSVILLE, Mo.—"For seven years I suffered severe pain in my back and the back part of my head. My kidneys were very inactive from time to time and sluggish. I was extremely nervous, had poor appetite, was melancholy, restless and completely worn out. I used every available remedy recommended for the kidneys, but obtained temporary relief only, but I can truthfully say that after using one package of Anuric all of the former symptoms disappeared and I feel like a new man."—REV. G. W. WATTS.

RIVERMINES, Mo.—"I have had kidney ailment and rheumatism for many years. At times I have had to give up and take to my bed. A short time ago just as I was able to sit up after having one of these spells, I saw Anuric advertised. It has given me wonderful relief. I am feeling better than I have for some time past. I have great faith in Anuric and am convinced if those suffering as I did will give it a fair trial they will get good results."—MRS. KATHERINE SCHULDHEIS.

Ask the druggist for Anuric (60c) or send Dr. V. M. Pierce, Buffalo, N. Y., 10c for trial pkg.

Penelope Club Party.

A Valentine party was given at the home of Mr. and Mrs. J. E. Melvivn Thursday evening, February 14. Although the weather was extremely inclement it did not seem to dampen the enthusiam or diminish the attendance of the members. After the guests had all assembled the ladies of the club marched up stairs and masked for the occasion, returning again to the parlors. The gentlemen were then asked to pick out the one they thought was their wife. After each gentleman was quite sure he had selected his own wife the ladies unmasked, and behold, nearly everyone was highly successful in selecting the wrong woman. U. S. Wright was the only one who picked the Wright lady. Those who were masked were: Mrs. O. L. Holmes, a fashionable lady; Mrs. Gallatin Craig and Mrs. Andy Hawkins, vanity girls, and they looked the part, as their profiles would have made a good picture for the front page of Vanity Fair. Mrs. Chas. McNeal was dressed as a bride; she looked so young and beautiful that her husband did not recognize his bride of seventy-five years ago. Mrs. James Eckles and Mrs. U. S. Wright were Indian girls, and Pocahontas and Hiawatha would have been vain indeed, had they been present. Mrs. Dan R. Baker was dressed as a butterfly; Mrs. Walter Mutz was a valentine, and did her part well; Mrs. John Herron, who is always so quiet and dignified, made a splendid old maid; Mrs. Jerry Smith impersonated an old lady; Mrs. J. P. Price represented a gypsy girl, and Mrs. Jeff Ford acted the part of a feeble old lady; Mrs. I. L. Holbrook was just from Broadway, New York, and displayed a full millinery store; Mrs. Fin Conrad represented a Puritan lady. Miss Paige Crawford of Atchison, Kans., a niece of Mrs. Chas. McNeal, was the hit of the evening, impersonating a loud and strikingly dressed young lady, displaying an alarm clock strapped to her wrist for a watch bracelet. Richard Baker presided over the victrola and fine music was enjoyed by all. Dominoes was played until a late hour. Refreshments were served by the hostess, assisted by Mrs. U. S. Wright, Mrs. O. L. Holmes, Mrs. Gallatin Craig and Mrs. Chas. McNeal. A beautiful cut glass flower basket was left on the table with "Compliments Penelope Club, in remembrance to Mr. and Mrs. J. E. Melvin's fortieth wedding anniversary." Guests of the club were: Mrs. J. C. Allender, Mr. and Mrs. James Colvin, Mr. and Mrs. James Eckles, Mr. and Mrs. J. F. Roelofson, Mr. and Mrs. Arch Frank, Mr. and Mrs. Walter Mutz, Mr. and Mrs. Forquay, Mr. and Mrs. A. L. Kelley, Mrs. Goff of Arkoe, Miss Paige Crawford of Atchison, Kans., a niece of Mrs. Chas. McNeal.

Now at this day comes the Plaintiff herein, by his Attorneys and files his Petition and Affidavit, alleging among other things that Defendants, Frank German, John German, Anna McPherson and Mary German are not residents of the State of Missouri, so that the ordinary process of law can not be served upon them within this State.

Meaning of Bolshevik.

A Democrat-Forum reader asks for the meaning of the Russian word, Bolshevik. Bolshevik is pronounced bolshe-veek, with the accent on the last syllable. It is a Russian word meaning "majority" or "the most," The Bolsheviki are the most extreme, radical members of the Social Democrats of present day Russian politics. It is the antithesis of the Menshevik (plural Mensheviki), "the least," "the smallest," the most moderate of the Social Democrats. The latter are really the idealists of the party, believing in a gradual social revolution. Maximalist and minimalist are the French terms for the extreme and moderate Socialists, respectively.
